COMPANIES – KPMG, Reliance, FICCI,  
Coca Cola, Infosys, Cadbury

## Consumer Business Metrics

- The size of the fonts could have been a little bit larger.
- The color selection could have been a little bit better – blue and purple look similar
- Creative and innovative – never seen before graph
- Would have been better if absolute change was mentioned, or even % change

## Reliance Foundation

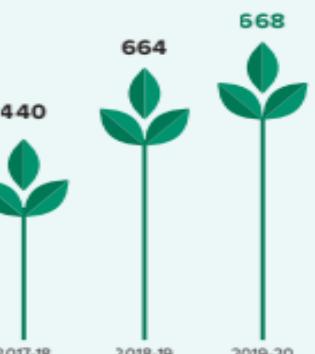

- The size of the fonts could have been a little bit larger.
- Good selection of color
- The icons at the top of the bar are creative and unique.
- Would have been better if absolute change was mentioned, or even % change

- The distinctive color could be shown for male and female with proper icons.
- Write the total no. of male and female inside the donut chart.
- The figures shown like 2% doesn't clearly portray something. If there has been an increase in any data it can be shown with a "+" or up arrow.
- If u want to suppose water and environment use color like blue / green in donut chart
- The donut chart as represented below in the sustainability donut chart could be used here.

- They have shown black ethnicity in black colour chart , many people might see their sentiments being hurt here. Rather than distinguishing as white & black in ethnicity they could have used less sharp words.
- Add more icons, maybe for ethnicity, for coke contributions.
- There is repetition of Coca cola foundation twice.
